

## Sunnyside March 2017 Newsletter

**Bus Passes:** A temporary bus pass must be obtained in order for a student to get off a bus at a location other than their designated stop or to take a different bus. To obtain authorization, a written request must be sent to the school secretary **24 hours in advance**. The temporary bus pass will be issued provided the location is on a regular bus route and **if space is available on the bus**.

**Healthy snacks:** Please send snacks each day with your child. Children learn best when they have eaten a healthy snack, including fresh fruit or vegetables and proteins from foods such as cheese. Packaged items such as cookies or cakes that are high in processed sugars and carbohydrates do not help learning as they give a quick burst of energy but then slow brain function.

**Homework** time can be a positive time for families. One great way to help your child is to take an interest in what he or she is doing - ask questions and engage in conversation about the homework. Your interest will support your child's success.

**School Days:** Please take note that due to the 2 days where classes were cancelled this year, the March 27th and April 18th pedagogical days are now regular school days.

**School Dress Code:** Again a reminder, all students must wear solid pale blue, navy or black tops and dark pants or skirts each day to school. The gym uniform consists of navy shorts and blue T-Shirt.

In March we have two non-uniform days, **St. Patrick's Green on March 17<sup>th</sup>** and a regular **non uniform day on March 31<sup>st</sup>**.
