

Sunnyside March 2018 Newsletter

Portfolio night a great success

On February 22nd over 90% of families participated in the portfolio & parent night. Thanks to parents for coming to school to support your child and appreciate their school work. Did you know that parent support is one of the most important factors in overall school success? Thanks also goes to teachers and staff for setting up and preparing for a smooth-running evening, including activities in the gym. And thanks to the students for doing all the work to put in the portfolios.

Community Learning Centre

Sunnyside has been approved to set up the Community Learning Centre approach. We are pleased to announce that Clea Coorman has been hired to be the coordinator of the CLC. Her first task is to prepare an assessment of the needs of the school and community to determine how best to bring these two together.

OurSCHOOL Parent Survey

Thanks to all parents who completed the recent OurSCHOOL survey. The results give Sunnyside and the ETSB valuable information on parents' point of view on the successes and challenges in schools. This data will be used to help prepare practical improvements for schools. A student survey is planned for Grades 4-5-6 later in the year.

St. Patricks Day breakfast fundraiser

Grades 4, 5 & 6 will be holding a breakfast fundraiser at the school on Saturday, March 17th. Tickets are available from the students or at the door.

In March we have two non-uniform days, **St. Patrick's Green on March 16th** and a regular **non uniform day on March 23rd**.

Normal School Dress Code: Again a reminder, all students must wear solid pale blue, navy or black tops and dark pants or skirts each day to school. The gym uniform consists of navy shorts and blue T-Shirt.
